

Roselle United Methodist Church Charge Conference Report 2008

Children's Council

Sunday School

In 2008 Children's Council continues to utilize the rotational model curriculum titled Power Xpress! Each theme or unit is taught through storytelling/drama, games, cooking, art, music, movies, science and computers. Classes are held from 9:00 am – 9:45 am, prior to the single worship service. Attendance has varied from 2 (summer) to 11.

For the summer we worked with the One Room School House program. We are currently working on The Ten Commandments, and will be starting Christmas Around the World.

Three Bibles were given out to 3rd graders on Sept. 14.

The Children excitedly help with Children's Sabbath by performing the following activities: greeter, acolyte, offering, Bible readings, and loose coin offering at the end of service.

Vacation Bible School

Our VBS theme this year was "Beach Party". We had daily Be-Attitudes (Be Obedient, Be Faithful, Be Kind, and Believe). We also learned surfing terms. There were 20 students and 8 adults participating. We had lots of volunteers and a great celebration on Friday night to finish our week.

Sharon Cook Memorial Children's Library

The library continues to flourish with donations coming in. The library is the main meeting area and we are encouraging our students to use it. We also have four computers set up in the library.

Kid's Club

Kid's Club started in September and we have included 2nd through 5th grade students. They are working with Red Bird Mission as our service focus. We have had 4-6 students attending. They took the money from the loose coin offering during Children's Sabbath and purchased food for the local food pantry.
